

## **PUBLIC SHELTERS**

Call or visit the appropriate centralized **OSH Intake Center** the day you are in need of shelter. Housing *is not* guaranteed in which case individuals must seek either a private shelter or make arrangements independently. There are many public shelters in the city. However, you need to go to a centralized intake site in order to get referred to one of the many shelters.

**The appropriate intake center is determined by: 1. TIME OF DAY 2. HOUSEHOLD TYPE**
